Bhavesh Dhote
Project Engineer

Email Id:bhaveshdhote6@gmail.com
Phone: +91-7067928998

Objective

To be associated with a leading Organization which would give me the best opportunities to explore my skills and my potentials thereby I can utilize my skills efficiently for organizational growth.

Career Summary

- Skilled in electrical and mechanical testing, troubleshooting, and preventive maintenance.
- Experienced in Pre-commissioning, system audits, and compliance with technical protocols.
- Proficient in SCADA system server installation, monitoring, and configuration.
- Coordinated effectively with installation, clients, and vendors for seamless site operations.
- Focused on delivering high-quality, safe, and timely execution of renewable energy projects.

Educational Qualifications

- **B.tech in Electrical Engineering** from **Bagulamukhi college of Technology– Bhopal**, M.P under **Rajiv Gandhi Proudyogiki Vishwavidyalaya**, in 2025 with **8.0 CGPA**
- **Polytechnic in Electrical Engineering** from **Govt. Polytechnic college betul** in 2022 with **6.41 CGPA**
- **H.S.C** from **Govt. Higher Secondory School Jawra, Betul** under M.P Board in 2019.
- **S.S.L.C** from **Govt. Higher Secondory School Jawra, Betul** under M.P Board in 2017.

Skills

- Excel
- Word
- Power Point
- Good Communication Skill
- Leadership Quality

Professional Experience

1. Company Name: Envision Energy India Pvt. Ltd. Under **NeXHS Renewables Pvt. Ltd.**

- Designation: Project Engineer
- Department: Electrical Engineer
- Date of joining: Mar 2025 to Till Date

Job Description:

- Pre-Commissioning of Envision Turbine Model **(EN 156 3.3 MW)** Wind turbine generator.
- WTG components access on SCADA System.
- Pre Commissioning & Grid Commissioning.
- Managing the Functions of pre-Commissioning, testing, And Troubleshooting.
- Handling Commissioning audit, service audits and final inspection as per protocols.
- Collaborated with electrical engineers, system integrators, and vendors to ensure timely and successful implementation of SCADA infrastructure.
- Installed the SCADA panel server at Serentica-2 PSS, following detailed SCADA system drawings and schematics diagram.
- Ensured proper panel wiring, communication interfacing, and compliance with technical standards during the server installation process.
- Coordinated with the technical team for the configuration and commissioning of the Serentica-2 PSS SCADA server, enabling effective communication between field devices and the central control system.
- Performed Anti-Vortex installation and alignment of WTG blades as per SOP, ensuring blade positioning **at 89°, 82°, and 0°** respectively, in compliance with OEM standards.
- Performed **generator alignment of WTG** to ensure proper balancing, vibration control, and smooth turbine operation.
- Executed **pitch system software updates**, including parameter verification and functional testing, to ensure accurate blade control and optimal turbine performance.

Site Visit for Pre-Commissioning and Grid Commissioning Work.

- Serentic kallam Site, Maharashtra (300MW) Pre-Commissioning work.
- ReNew Phase-1 Solapur Site, Maharashtra (181.5MW) Pre-Commissioning and Grid Commissioning
- Serentica-2 Solapur Site, Maharashtra (264MW) Pre-Commissioning work.

2. Company Name: Powercon India pvt. Ltd.

- Designation: Project Engineer
- Department: Electrical Engineer
- Date of joining: Feb 2024 to Feb 2025

Job description:

- Performed electrical installation, inspection, and testing of WTG systems including generator, transformer, control panels, sensors, and auxiliary circuits.
- Carried out mechanical installation works, including nacelle components, hub assembly, and blade-related systems.

- Conducted torqueing and tensioning of critical bolted joints using calibrated hydraulic and torque tools as per Vestas torque specifications.
- Executed blade pitch system activities, including pitch-in and pitch-out operations, functional checks, and troubleshooting of pitch drives and controllers.
- Supported software updates and parameter configuration of turbine control systems in coordination with commissioning and OEM teams.
- Monitored and validated safety systems, interlocks, and emergency mechanisms during installation and operational testing.
- Ensured compliance with quality, HSE, and Vestas standard operating procedures (SOPs) throughout project execution.
- Maintained daily work reports, checklists, and technical documentation for installation and commissioning records.
- Coordinated with site engineers, supervisors, and OEM representatives to resolve installation and commissioning issues efficiently.

3. Company Name: Wind World India limited

Project:- Operation & Maintenance of wind world India Ltd

- Designation: Junior Engineer
- Department: Operation and Maintaince Wind Turbine Generator
- Date of joining: Nov 2022 to Jan 2024

Job Description:

- Responsible for operation and maintenance of Wind Turbine Generators (E-48 & E-53) to ensure smooth and safe functioning.
- Carried out preventive maintenance activities as per company schedules and OEM guidelines to minimize breakdowns.
- Attended breakdowns and fault situations, identifying issues and restoring turbines within minimum downtime.
- Monitored turbine performance through **SCADA systems** and responded to alarms and error messages.
- Performed basic **troubleshooting and error resolution** related to electrical, mechanical, and control systems.
- Conducted regular inspections to detect potential issues and prevent future failures.
- Assisted in corrective maintenance and replacement of components when required.
- Ensured compliance with safety standards, work permits, and lock-out/tag-out (LOTO) procedures.
- Maintained daily operation, maintenance, and breakdown reports.
- Coordinated with site engineers, control room teams, and supervisors for efficient fault resolution.

- Supported turbine restart activities after grid or system shutdowns.
- Contributed to improving turbine availability, reliability, and overall plant performance.

Personal Details

Date of birth:	27/06/2002
Father Name:	Bhavesh Dhote
Gender:	Male
Nationality:	Indian
Marital status:	Single
Languages known:	English, Hindi
Permanent Address:	AT POST Jawra (Betul) Betul (MP), Madhya Pradesh, 460004

Declaration

I hereby declare that the above mentioned information is true to the best of my knowledge and belief.
